

One Year Character Studies Bible Reading Plan

The one year character studies Bible reading plan will take you through the lives of selected Old Testament and New Testament men and women and their encounter with the living God.

Reflection days are incorporated each month to help you meditate on your readings, catch up on missed readings, or read favorite passages.

As you read the selected passages, try focusing on the character you are studying; consider his or her experiences, and most importantly, his or her encounter with God.
